

Take-home assignment Report

Project GitHub Link: <https://github.com/AmithLiyanage/Student-Course-Enrollment-System>

This project has three main views

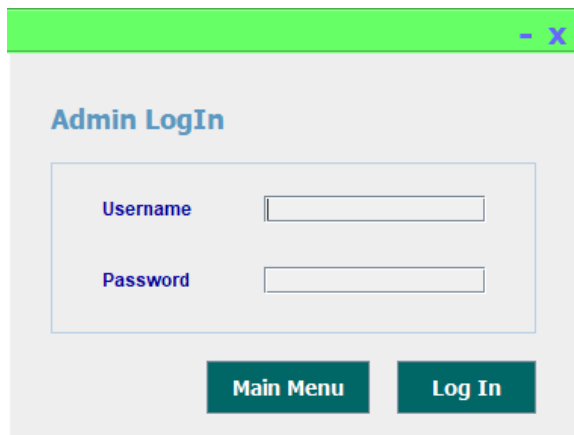

- 1) Home View
- 2) Student View
- 3) Admin View

- 1) Home view

Here is a main view when we opening the “NSBM Course Enrollment System.exe”

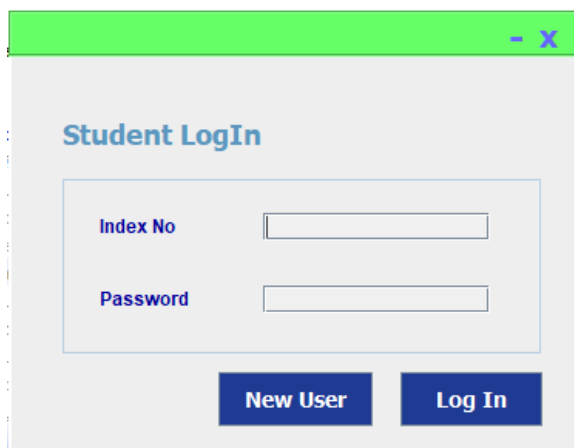

- I) Admin - When it click we can go to Admin “Log in” view

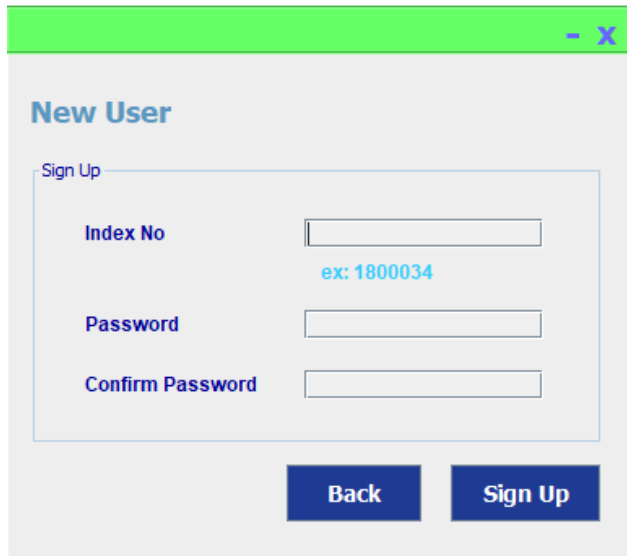

The image shows a web form titled "Admin LogIn" within a window with a red title bar. The form contains two input fields: "Username" and "Password". Below the input fields are two buttons: "Main Menu" and "Log In".

- II) Student - When it click we can go to Student “Log in” view

The image shows a web form titled "Student LogIn" within a window with a red title bar. The form contains two input fields: "Index No" and "Password". Below the input fields are two buttons: "New User" and "Log In".

When Student haven't already acc to log this vle click "New User" button and make password

A web form titled "New User" with a "Sign Up" sub-header. It contains three input fields: "Index No" (with an example "ex: 1800034"), "Password", and "Confirm Password". At the bottom are "Back" and "Sign Up" buttons.

Back **Sign Up**

III) That useful for when Student not Register we can register to NSBM

A web form titled "Student Registration" with a "Registration details" sub-header. It contains multiple input fields and dropdown menus: "Name with Initial", "Full Name", "Faculty" (set to "School of Business"), "NIC", "Gender" (radio buttons for Male and Female), "Address", "Contact No", "email", "Year" (set to "2018"), "Batch" (set to "Febru..."), and "Course Type" (set to "Undergraduate Student"). A "Next" button is at the bottom right.

If student choose “Undergraduate Student”

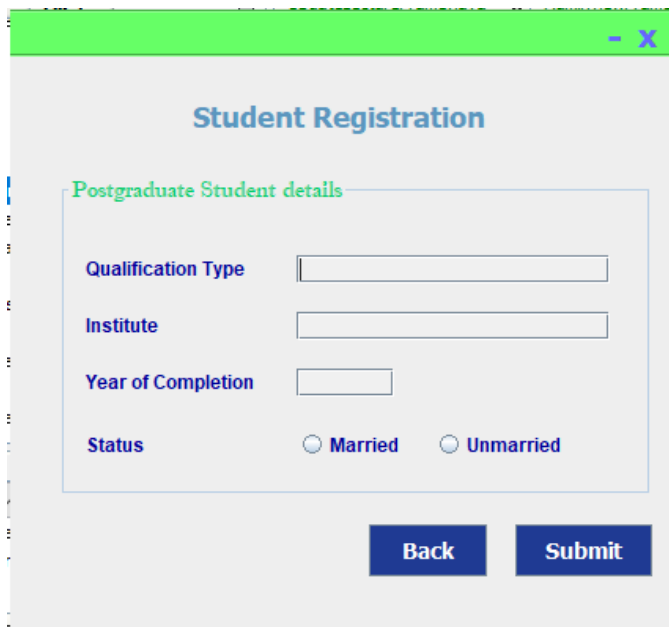

The screenshot shows a web browser window with a green title bar containing a minus sign and an 'X' button. The page title is "Student Registration". Below the title, there is a section titled "Undergraduate Student details" in green text. This section contains the following fields:

- Last year of A/L exam:** A text input field followed by a dropdown menu currently showing "1st Shy".
- Subject 1:** A text input field followed by a dropdown menu currently showing "A".
- Subject 2:** A text input field followed by a dropdown menu currently showing "A".
- Subject 3:** A text input field followed by a dropdown menu currently showing "A".
- General English:** A dropdown menu currently showing "A".
- Z-Score:** A text input field.

At the bottom of the form, there are two blue buttons: "Back" and "Submit".

If student choose “Undergraduate Student”

The screenshot shows a web browser window with a green title bar containing a minus sign and an 'X' button. The page title is "Student Registration". Below the title, there is a section titled "Postgraduate Student details" in green text. This section contains the following fields:

- Qualification Type:** A text input field.
- Institute:** A text input field.
- Year of Completion:** A text input field.
- Status:** Two radio buttons labeled "Married" and "Unmarried".

At the bottom of the form, there are two blue buttons: "Back" and "Submit".

3) Admin view

When Admin logged in he or she can see his or her “Admin” right upper corner of the Admin view

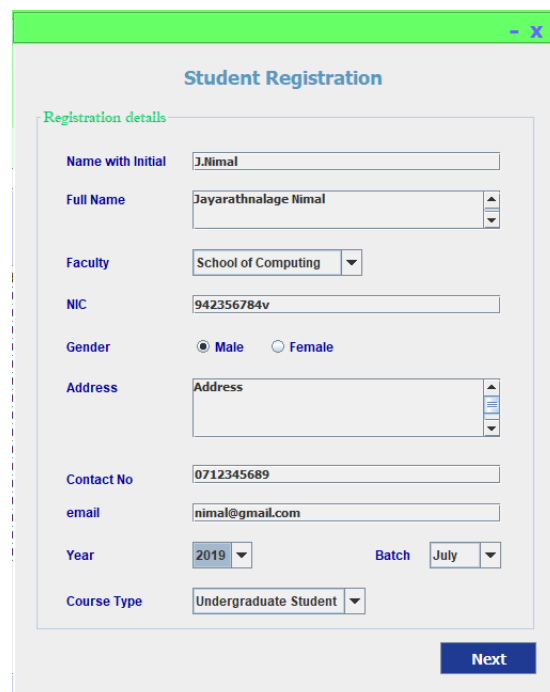

The screenshot shows the NSBM Admin Dashboard. The header features the NSBM logo and the text "NATIONAL SCHOOL OF BUSINESS MANAGEMENT". The user is logged in as "Admin", indicated by a profile icon and the name "Admin" in the top right corner. The dashboard has a sidebar on the left with a calendar for August 2018 and a "Main Menu" button. The main content area displays a table of student details with columns: Index No, Name, Full Name, Faculty, NIC, Gender, Address, Contact No, Email, Year, Batch, and Course Ty... (Course Type). The table contains 10 rows of student data. Above the table, there are tabs for "Student", "Undergraduate Student", "Postgraduate Student", "Lecturer", "Instructor", "Subject", "Course Registration", and "Marks". Below the tabs are buttons for "Add Student", "View Student", "Update Student", and "Delete Student".

XIII) Add new Subject

The 'Add Subject' form is a web-based interface for adding a new subject. It features a title bar with a green background and a close button. The form is titled 'Add Subject' and contains a 'Subject details' section. The fields include: Subject ID (text input), Subject Name (text input), Degree Type (dropdown menu with 'CS' selected), Year (dropdown menu with '1' selected), Sem (dropdown menu with '1' selected), Fees (text input), Lecturer (text input), Instructors (text input), Time Schedule (text input), No of Assignments (dropdown menu with '1' selected), Credits (dropdown menu with '1' selected), No of Student (text input), Place Lecture (text input), Place Practical (text input), and Note (text area). A 'Submit' button is located at the bottom right.

XIV) View Subject

The 'View Subject' form is a web-based interface for viewing a subject. It features a title bar with a green background and a close button. The form is titled 'View Subject' and contains a 'Subject details' section. The fields include: Subject ID (text input with value 'MGT 1103'), Subject Name (text input with value 'Financial Accounting'), Degree Type (text input with value 'CS'), Year (text input with value '1'), Semester (text input with value '1'), Fees (text input with value '2800'), Lecturer (text input with value 'fgfg'), Instructors (text input with value 'fffg'), Time Schedule (text input with value '2h x 40'), No of Assignments (text input with value '5'), Credits (text input with value '3'), Compulsory or Not? (text input with value 'Compulsory'), Place Lecture (text input), Place Practical (text input), and Note (text area). A 'Delete' button is located at the bottom right.

XV) Update Subject

The 'Update Subject' form is a web-based interface for updating a subject. It features a title bar with a green background and a close button. The form is titled 'Update Subject' and contains a 'Subject details' section. The fields include: Subject ID (text input with value 'MGT 1103'), Subject Name (text input with value 'Financial Accounting'), Degree Type (dropdown menu with 'CS' selected), Year (dropdown menu with '1' selected), Sem (dropdown menu with '1' selected), Fees (text input with value '2800'), Lecturer (text input with value 'fgfg'), Instructors (text input with value 'fffg'), Time Schedule (text input with value '2h x 40'), No of Assignments (dropdown menu with '1' selected), Credits (dropdown menu with '1' selected), Compulsory or Not? (dropdown menu with 'Compulsory' selected), Place Lecture (text input), Place Practical (text input), and Note (text area). An 'Update' button is located at the bottom right.

XVI) Delete Subject

The 'Delete Subject' form is a web-based interface for deleting a subject. It features a title bar with a green background and a close button. The form is titled 'Delete Subject' and contains a 'Subject details' section. The fields include: Subject ID (text input with value 'MGT 1102'), Subject Name (text input with value 'Business Communication'), Degree Type (text input with value 'CS'), Year (text input with value '1'), Semester (text input with value '1'), Fees (text input with value '2500'), Lecturer (text input with value 'R.T.M.Kulathilaka'), Instructors (text input with value 'S.H.P.Bandara'), Time Schedule (text input with value '2h x 40'), No of Assignments (text input with value '4'), Credits (text input with value '2'), Compulsory or Not? (text input with value 'Compulsory'), Place Lecture (text input with value '5002'), Place Practical (text input with value 'high'), and Note (text area). A 'Delete' button is located at the bottom right.

XXII) Remove Marks of selecting row to “-“

XXIII) Send Email – that button send email to “Email” of selected row (it get from student table when Student register for the Semester)

Default “Send?” column show “No”, After send Email it change to “Yes”.

By selecting row from table

Database

The screenshot shows a database management interface with a menu bar at the top containing: Structure, SQL, Search, Query, Export, Import, Operations, Privileges, Routines, and Events. Below the menu bar is a table listing the contents of the database. The table has columns for Table, Action, Rows, Type, Collation, Size, and Overhead. The 'Table' column lists ten tables: instructor, lecturehall, lecturer, postgraduate_student, result, student, student_degree, subject, undergraduate_student, and user_login. The 'Rows' column shows approximate row counts for each table. The 'Type' column for all tables is 'InnoDB'. The 'Collation' for all tables is 'latin1_swedish_ci'. The 'Size' column shows the size of each table in KiB. The 'Overhead' column shows the overhead for each table. A summary row at the bottom indicates there are 10 tables in total, with a total of 88 rows, using InnoDB engine, latin1_swedish_ci collation, and a total size of 304 KiB with 0 B overhead.

Table	Action	Rows	Type	Collation	Size	Overhead
<input type="checkbox"/> instructor	Browse Structure Search Insert Empty Drop	~2	InnoDB	latin1_swedish_ci	32 KiB	-
<input type="checkbox"/> lecturehall	Browse Structure Search Insert Empty Drop	~0	InnoDB	latin1_swedish_ci	32 KiB	-
